

ICAR-DFMD participated in Agricultural Exhibition

Date: 17th February, 2023

A team of scientists from ICAR-DFMD-ICFMD, Arugul, Bhubaneswar displayed an institute stall at ICAR- Central Institute for Women in Agriculture on the occasion of the organization's 28th Foundation Day on February 17, 2023. Following the exhibition's opening, numerous dignitaries, farmers, students, NGOs employees, etc. were visited the stall. At the agricultural exhibition, scientists disseminated information on illness, immunisation, biosecurity, and other management strategies for FMD prevention and control to the visitors.
