

## Report

### **Input (study Materials) Distribution cum hygiene awareness Programme at Govt. High School, Aragul (Under DAPST Programme)**

**Date: 10.11.2023**

On 10.11.2023, an input (study materials) Distribution cum hygiene awareness Programme was organized by ICAR-NIFMD-International Centre for Foot and Mouth Disease at Govt. High School, Aragul under DAPST scheme. The programme was conducted with a long-term vision for the upliftment of scheduled tribe students. The programme was organized by Dr T Das, Scientist, Dr M Sahoo, Senior Scientist, Dr R Ranjan, Senior Scientist at ICAR-ICFMD along with School teachers and contractual staffs. Hygiene awareness about importance of brushing teeth twice daily, washing hands frequently, taking bath regularly, cleaning and trimming nails, eating healthy foods, drinking safe water; benefits of maintaining personal hygiene, maintaining environmental cleanliness, maintaining healthy and balanced life etc. was created in order to sensitize and promote health and hygiene among the students. Students from ST community were encouraged during the programme. During the programme a total of 31 students from ST community were distributed with a set of essential study materials like school bag, note book, word book, pen, pencil, eraser, sharpener, water bottle, book cover materials, geometry box, hand wash etc.
