

Online workshop on the awareness related to Intellectual Property Rights (IPRs) held on 12/01/2023

On the occasion of National Youth Day, an online training-cum-presentation has been organised by ICAR-Directorate of FMD, Bhubaneswar in collaboration with CSIR-National Chemical Laboratory (CSIR-NCL) and Indian Patent Office under Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry. Dr. Jitendra Kumar Biswal, In-charge, ITMU of ICAR-DFMD coordinated the workshop. The main objective of the workshop was to create the awareness related to Intellectual Property Rights (IPRs) amongst the university-students, research

scholars, researchers and faculty members. **Dr. Nitin Shukla**, Principal Scientist & Head of the Intellectual Property Group of CSIR-National Chemical Laboratory/NCL Innovations presented the talk on various issues related to IPR. More than 150 participants from various parts of the country had joined the talk through the online platform. The presentation was quite explanatory and, lots of students and young researchers clarified their doubts on various forms of IPs viz: patent, designs, trademark, copyrights etc. through the interactive online discussion.
